SUBJECT: Western New York Educational Service Council
Awards for Excellence

This year, the Western New York Educational Service Council will recognize members of the Western New York educational community who have distinguished themselves in their pursuit of educational excellence. A committee of administrators will review all nominations and select individuals to receive this award. Those selected will receive this distinguished award at a recognition dinner **Thursday, March 10, 2011** at the Marriott Hotel, on Millersport Road in Amherst. Each recipient will receive a special tribute as colleagues, friends, and family members gather together to honor the award winners.

Enclosed you will find the nomination form for the Western New York Educational Service Council's Award for Excellence in the Superintendentcy. Last year, nearly 275 members of the Western New York educational community attended the event to recognize 14 outstanding people, including three superintendents. I encourage you to look over the attached guidelines and consider nominating your superintendent for one of the awards. For your information, the nomination forms for the Awards for Excellence in Administration, Teaching and Support Staff service were sent to your Superintendent.

We hope you take advantage of this unique opportunity to herald the talents, accomplishments, and success of your Superintendent. Please take the time to complete the enclosed nomination form and submit it to our office by the due date of **January 14, 2011**.

We look forward to your participation in this prestigious program.
