RE: Western New York Educational Service Council Awards for Excellence

This year, the Western New York Educational Service Council is sponsoring its fifth annual Awards for Excellence program that will recognize Western New York Administrators, Superintendents, Teachers and Support Staff who have distinguished themselves in the pursuit of excellence. A committee of administrators will review all nominations and select individuals to receive this award. Those selected will receive this distinguished award at a recognition dinner Thursday, March 10, 2011 at the Marriott Hotel, on Millersport Road in Amherst. Each recipient will receive an individual tribute as colleagues, friends, and family members gather together to honor the award winners.

Enclosed you will find the nomination forms for the Western New York Educational Service Council=s Awards for Excellence in Administration, Excellence in Teaching and Excellence in Support Staff Service. We invite you to participate in this rewarding recognition program.
