PROGRAM

ABOUT THE PROGRAM

As a building administrator, have you ever been threatened with the “I’m calling my lawyer” line? To what extent are you liable when legal issues arise? What happens if you do get sued? What are the things you can do to properly avoid legal issues? If thoughts like this have entered your mind, then you need to think seriously about attending this morning workshop.

ABOUT THE PRESENTERS

Presenters will be Karl W. Kristoff, who leads Hodgson Russ’s Education Law Group and David A. Farmelo, Jeffrey Weiss and Ryan L. Everhart, also members of the Education Law Practice Group.

The goal of Hodgson Russ’s Education Law Practice Group is to provide high-quality legal services to help school clients establish the best possible educational and work environments. Hodgson Russ has advised school districts on operational and employment matters and legal issues involving students for more than 30 years.
