Eleven Honored at Awards for Excellence Banquet March 10th Ceremony Attracts Big Crowd

Nearly 250 friends, family members and colleagues gathered together at the Marriott Hotel on March 10th to celebrate and honor award winners at the 6th Annual Awards Banquet. All of the award winners were nominated by school superintendents or district committees as representing the best in personal qualities and professional achievement in four categories of service: superintendent, administration, teaching and support staff. The WNYESC committee judged nominees on extraordinary commitment to the district and community, years of service to the district, leadership within their respective group, and achievements both in and out of the workplace.

They are highly-respected leaders who have inspired others around them, and therefore, are role models in their schools and communities. We hope that you will continue to acknowledge their special contributions by congratulating them. Thanks to Hodgson Russ LLP for sponsoring this special event.
